## **2026 Colonial Farmstead Program Ad**

In 2026, the Colonial Pennsylvania Farmstead will proudly celebrate 50 years of preserving and sharing the stories of Pennsylvania's Revolutionary Era farm families alongside our nation commemorating 250 years of independence. We invite you to join us for a year of history in the making as a corporate sponsor of the Farmstead and our signature annual fundraiser, Winter Masquerade, to be held on Saturday, February 21, 2026, at Radnor Hunt.

The Farmstead is a Revolutionary Era living history site where visitors and students experience the daily life, skills, and stories of a transformative period in history. Each year, more than 10,000 visitors, including more than 6,500 students, engage in immersive programs that don't just teach history, but inspire curiosity, understanding, and appreciation for the experiences that shaped our nation.

Although located within Ridley Creek State Park, less than 2% of our annual operating budget comes from the Commonwealth of Pennsylvania, and only through competitive grants. The Farmstead receives no guaranteed state, federal, or county funding. We rely on the generosity of individuals, foundations, and corporate partners to maintain our historic buildings, care for rare heritage breed animals, and provide high-quality, research-based education to thousands of students and families each year.

Your support of the Winter Masquerade directly sustains these efforts—and this year's sponsorship offers more than one evening of celebration. It's an opportunity to align your organization with a yearlong milestone that bridges the Farmstead's 50th anniversary with America's 250th, expanding your visibility and community impact throughout 2026.

The support of individuals and businesses is critical to making the Winter Masquerade a financial success! Please consider supporting the Farmstead's essential educational mission while reaching key members of the community through an advertisement in our program booklet.

Thank you,  
Colonial Pennsylvania Farmstead
